COOKIE POLICY

Last updated on **September 15, 2022**

This policy describes how **Augmented Virtual Reality Hub,** an entity, bearing registration number - **902272**, and having its principal office at **1007, Park Avenue, Dubai Silicon Oasis, Dubai** (hereinafter referred to as the **"Viewz"** or **"we"** or **"our"** or **"us"**) uses cookies on www.avrviewz.com/ (the **"Site"**). We recommend that you also consult our **Privacy Policy** for additional information on how we collect and use information collected from visitors to the Site. This policy is effective from the *'Last Updated'* date mentioned above. Your continued use of the Site after that will signify your acceptance of this policy. We may modify this Agreement without notifying you, so please check back often for updates.

By using the Site, you agree that we can use the cookies described in this Cookie Policy. You can stop cookies by changing the settings in your browser *(more information on how to do this is provided below)*.

WHAT ARE COOKIES?

Cookies are text files, containing small amounts of information, which are downloaded to your browsing device (such as a computer or smartphone) when you visit a website. Cookies can be recognized by the website that downloaded them — or other websites that use the same cookies. This helps websites know if the browsing device has visited them before.

WHAT ARE COOKIES USED FOR?

Cookies do lots of different jobs, like helping us understand how the Site is being used, letting you navigate between pages efficiently, remembering your preferences, and generally improving your browsing experience. Cookies can also help ensure marketing you see online is more relevant to you and your interests.

We use cookies to recognize your browser or device, learn more about your interests, and provide you with essential features and services and for additional purposes, including:

- Keeping track of your specified preferences.

- Conducting research and diagnostics to improve our content, products, and services.

- Preventing fraudulent activity.

- Improving security.

- Delivering content, including ads relevant to your interests.

- For measuring and analyzing the performance of our services.

Our cookies allow you to take advantage of some of our essential features.

WHAT TYPES OF COOKIES DO WE USE?

The type of cookies used on most websites can generally be put into one of six categories: ***Strictly Necessary, Performance, Functionality, Flash, Tailored Content and Targeting***. In order to provide you with the best browsing experience, Viewz uses ***Strictly Necessary and Performance Cookies*** on the Site. You can find out more about each cookie category in the sections below.

Strictly Necessary/Essential Cookies:

These cookies are essential, as they enable you to move around the Site and use its features, such as accessing secure areas. Without these cookies, some services you have asked for such as payment submission can't be provided.

Sr. No.	COOKIE NAME	PURPOSE	DURATION	CATEGORY
1.	XSRF-TOKEN	used to verify that the authenticated user is the person actually making the requests to the application.	Session	Essential

Performance Cookies:

These cookies collect information about how you use the Site, for example which pages you go to most often and if you get error messages from certain pages. These cookies don't gather information that identifies you. All information these cookies collect is anonymous and is only used to improve how the Site works.

HOW LONG WILL COOKIES STAY ON MY BROWSING DEVICE?

The length of time a cookie will stay on your browsing device depends on whether it is a "persistent" or "session" cookie. Session cookies will only stay on your device until you stop browsing. Persistent cookies stay on your browsing device until they expire or are deleted.

FIRST AND THIRD-PARTY COOKIES

First party cookies are cookies that belong to us, while third party cookies are cookies that another party places on your browsing device through our Site. For example, third party website will place a cookie on your browsing device if you click on such third-party website link when browsing the Site.

HOW TO CONTROL AND DELETE COOKIES THROUGH YOUR BROWSER

The browser you are using to view the Site can enable, disable or delete cookies. To do this, follow the instructions provided by your browser (*usually located within the "Help," "Tools" or "Edit" facility*). Please note that if you set your browser to disable cookies, you may not be able to access certain parts of the Site. Other parts of the Site may also not work properly. You can find out more information about how to change your browser cookie settings at www.allaboutcookies.org.
